Your Coffee County Baptist Disaster Relief team has been hard at work clearing trees from structures while offering compassion and hope to residents affected by Hurricane Isaias.
The **DR team from Dale Baptist Association** has always worked alongside us and did the same this time.

A **DR team from the Shelby Baptist Association**, along with three **DR teams from Arkansas,** helped complete more than 100 work orders.
We have housed and fed the teams that came to help. You have provided water, Gatorade, suppers, and donations in support of this ministry.
Thank you for that support.
Cutting trees opens the door for a gospel conversation. Our team understands that.
